Development, and Related Agencies

The Honorable Mike Quigley  
Ranking Member  
House Appropriations Subcommittee on  
Transportation, Housing and Urban  
Development, and Related Agencies

Dear Chairman Cole and Ranking Member Quigley:

I am requesting funding for the Town of Matthews Affordable Housing project in fiscal year 2024. The entity to receive funding for this project is the Town of Matthews, located at 232 Matthews Station Street, Matthews, NC 28105. The funding would be used for land acquisition and startup costs for the construction of an affordable housing development in the Town of Matthews. The project is an appropriate use of taxpayer funds because it will be combined with local tax dollars to increase the amount of affordable housing in the town for new and current residents and help the town ensure this land and real estate is used for sound community development and growth.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jeff Jackson  
Member of Congress
